

## Student Agreement

By enrolling with The Style Academy International, you agree to adhere to the rules set out in this agreement. We reserve the right to remove students from our programs should it be determined that you have violated any of the rules at any time.

1. Our online courses are available to students aged 18 and over. If you are under the age of 18 you will need to provide parental consent before enrolling. You can provide this consent by emailing our support team at [support@styleacademyintl.com](mailto:support@styleacademyintl.com).
2. Students receive full access to all course materials upon completion of enrollment. Because of this fees are non-refundable.
3. It is the responsibility of the student to review the full course details before enrollment to ensure the course is right for them. If you have questions please ask them before you enroll. You can contact us via the online chat on our website.
4. If you are an educator or a trainer of personal stylists or other image professionals you are ineligible to enroll in our courses or make purchases from our retail store. If we become aware that you have enrolled your access will be terminated immediately and we reserve the right to take legal action.
5. Course materials are for student use only. The copying, sharing, distribution, sale, or use for profit is prohibited by law.
6. Students may not use the course materials or content to develop their own training programs and courses. While we encourage you to follow your career goals, if teaching is one of them, you are prohibited by law to use any of the content and materials from our programs.

7. Please treat all employees of The Style Academy International with respect. Abusive language will not be tolerated.

8. If you feel that you have not been treated with respect by any employee of The Style Academy International please contact [louisa@styleacademyintl.com](mailto:louisa@styleacademyintl.com) immediately.

9. As part of our marketing strategy we sometimes use former students in our promotions on our website and our social media sites. These promotions may include a testimonial (if one has been provided), written feedback, the name of the student, website URL, and publicly sourced images. To opt-out of marketing promotions please email [support@styleacademyintl.com](mailto:support@styleacademyintl.com)

10. If at any time you are dissatisfied with your experience at The Style Academy International, please contact us directly rather than turning to social media. We are here to help in any way that we can and it is important to us that you receive exceptional service and a positive experience when studying with us. Any issues should be reported to [support@styleacademyintl.com](mailto:support@styleacademyintl.com).

We appreciate your cooperation and look forward to helping you achieve your dreams and goals!

Louisa Gabriel  
CEO and Founder
